

# Intermediate Seminar – Smith Seminars

---

Friday June 1, 2018 – Sunday June 3, 2018

Rick Smith Instructor

## Seminar Description:

"After you have completed the steps in the Foundation Level of Training and developed conditioned responses to cues, you are ready to transition to the remote cues of the e-collar and begin steadying your dog on birds. This is where training really gets fun and you are able to turn your dog loose to do what he/she instinctively wants to do! This seminar teaches you how to steady your dog on game, teach your dog to honor, handle your dog in the field, and work on bird finding ability. This is where you will really see the magic of this format take place. You will be trained to train your dog with Rick's guidance. These seminars are popular and fill rapidly, so reserve your spot now

## Seminar Contact Information:

Carla or Greg Fryar

Carla: 612-791-6514 or Greg: 612-840-8013
